News Off Cuts

White packing paper that is cost effective, strong and reusable.

Packaging Now unprinted newsprint type paper is a great way of keeping your product or items secure while moving or transit. Simply use this strong paper to wrap around your items giving them that extra layer of protection. Especially good for fragile items such as crockery, ornaments or glass items.

You can also use this paper as void filling solution when scrunched up to give packaging that extra bit of cushion protection.

Kraft Paper Roll

Pure ribbed kraft paper roll is our ultimate parcel packing paper

We have two types of kraft paper rolls available, our pure kraft and imitation variations These brown packing rolls are available in various roll width of 600mm, 750mm and 900mm with roll lengths for our pure kraft at 285m

600 x 285M
Code: 1-KR23

750 x 285M
Code: 1-KR24

900 x 285M
Code: 1-KR25

Pure kraft paper is extremely high quality and made from 100% virgin pulp. It is our highest quality brown wrapping paper that offers high tear resistance with its high durability and strength lengths for our pure kraft at 285m at 90gsm

Recycled Imitation Paper Roll

Imitation Kraft paper as it's called its manufactured from recycled pulp, so its more cost effective and environmentally friendly compared to being made from virgin pulp.

Our recycled imitation is more cost effective whilst respecting the environment by being manufactured by recycled material.

Bubble Wrap Rolls

Large and small bubble wrap rolls in 50m and 100m lengths.

Currently we stock bubble wrap with two variations of bubble sizes. Our 50mm rolls have the larger bubbles filled with more space

50m Rolls Large Bubbles

Our 50mm rolls have more larger bubbles filled with more air, as a result it takes much more space hence the smaller roll lengths we offer. The bigger bubbles with more air allow for a better cushion protection from impact.

Grip Seal Bags

Clear plastic bags with easy sealing solution

Plain Grip Seal Bags are a strong and flexible product to have in many industries due to the variety of uses it can provide for you.

An example of this would be Nuts and Bolts in construction areas. The transparent coating allows the products inside the bag to be seen whilst also being protected and being kept in one safe place

Postal Tubes

Our brown postal tubes will keep your posters, artwork or even maps such as survey maps protected during mailing and shipping.

Simply roll up your paper and slide it into the tube and seal with the provided white plastic caps.

The strong brown outer Kraft thick paper will protect your item from creases and rips during transit. These tubes are also a great way to store away other products.

Packaging Gun Tape Dispensers

Quickly seal your items with our packaging tape dispensers. Save time that would be wasted by looking for scissors and playing around with rolls of tape!

75mm core tape dispenser (Heavy Duty)

- This tape dispenser accepts 75mm cores to suit your taping needs.
- The quick and easy use of this dispenser will save time that would be wasted by looking for scissors.
- This tape dispenser will also improve efficiency in time used for sealing items and also decrease the amount of waste created.
- This would be recommended for both every day and business use.

Code: 2-TAP002

25mm & 75mm Dual Core Tape Dispenser

- This 25mm & 75mm dual core tape dispenser is quick and easy to use.
- This dispenser will save time that would usually be wasted looking for scissors.
- This tape dispenser will also improve efficiency in time used for sealing items and also decrease the amount of waste created.
- This would be recommended for both every day and business use.

Code: 2-TAP004

Custom Printed Tapes

BuildYourBrand

Your logo, message or slogan on custom printed tape

Make your packaging stand out with your own custom tape

Give your packaging that unique professional touch with our custom printed tape. Build your brand by including your logo, message or slogan printed directly onto tape you use on your product packaging. You can have your tape printed in up to 3 different colours. Both our tape options are 48mm wide and 66 meters long.

The process is easy, simply tell us what type of tape you require, you can choose between our standard polypropylene tape or more premium vinyl tape. Provide any logo artwork or message you require on your tape and the number of rolls, and let our expert team do the rest.

We offer a free origination service, with a fee applied to any alterations if needed. A design proof will be emailed to you for your approval. Once you are happy with the proof and signed them off your tapes will be delivered to your door within 15-20 working days. It is that easy.
